

Dear Candidate,

Congratulations on qualifying to run for elected office representing the people of St. Bernard Parish. The Committee to Stop the Destruction of St. Bernard is inviting candidates to sign the following pledge. We will publish the names of the candidates who sign the pledge, as well as those who do not, and share this information with voters through a variety of methods, including, but not limited to, our website, direct mail, social media, and billboards.

Please complete and sign the following pledge and **return it by August 18, 2023**. You may return it by emailing the pledge and materials to sos@sostbernard.org or by calling Robby Showalter at 504-616-7312 to arrange for hand delivery. Candidates who do not respond by the deadline will be noted as not making the pledge.

1. Pledge

I, Josh Moran, hereby pledge as a candidate for the office of Council District B, to oppose the Port of New Orleans from developing the massive container terminal, known as the Louisiana International Terminal (LIT), in St. Bernard Parish. Furthermore, recognizing the destructive impact that the container terminal will have on the people of St. Bernard's quality of life, I will (1) oppose any public funding for the container port project, (2) work with parish residents to demonstrate our community's opposition to its construction, and (3) support legal initiatives on behalf of the citizens of St. Bernard Parish that will demonstrate the harm that would be caused as a result of the proposed container facility.

Name: Josh Moran
Signature: [Handwritten Signature]
Date: 8/14/23
